How to access the app

The Marymount Paris App is your comprehensive digital gateway to stay connected with your child's school experience. Through this centralized platform, you can access all the essential information and services you need as a parent in one convenient location. Whether you're checking the latest school news, viewing the academic calendar, or monitoring your child's attendance and academic progress through grades and reports, everything is just a tap away.

Beyond academics, the app helps you manage the practical aspects of school life with ease. You can access online learning resources, stay informed about your child's health and wellbeing initiatives, and manage bus transportation details. The app also keeps you connected to the wider school community through features for hot lunch ordering, uniform information, PTO (Parent-Teacher Organization) updates, and after-school activities enrollment. Additionally, you can register for important events like parent-teacher conferences directly through the app, and access dedicated support whenever you need assistance. With the Marymount Paris App, you'll have everything you need to support your child's educational journey right at your fingertips.

With your phone, tablet, or computer

[Install the iPhone app](#) or access from anywhere at <https://app.marymount.fr>

How to login

The schools sends your initial login and password by email as part of your enrollment process.

if you haven't received such email, you can inquire our IT Helpdesk at ithelpdesk@marymount.fr

if you have lost/forgotten your password, you can [initiate its recovery here](#)

Other important platforms for parents

Our Marymount app centralizes access as much as possible. However, we also employ some other platforms to better serve your needs, in particular:

Powerschool - Grades, Attendance and reports

these two tiles on the app will lead you to an external platform that's "PowerSchool"

ATTENDANCE

GRADES & REPORTS

PowerSchool is our Student Information System, used for most of the pedagogy aspects, including the management of attendance, grades and reports.

You can directly access PowerSchool via this link for parents/guardians and Students

<https://marymountparis.powerschool.com/public/>

Parents will login with the unified school credentials if they are not recognized as part of the Single Sign-On (SSO) process.

Students will login using their Google Account provided by the school

SchoolsBuddy - After-School Activities, Parent-Teacher Conferences and Bus

Marymount App for Android phones

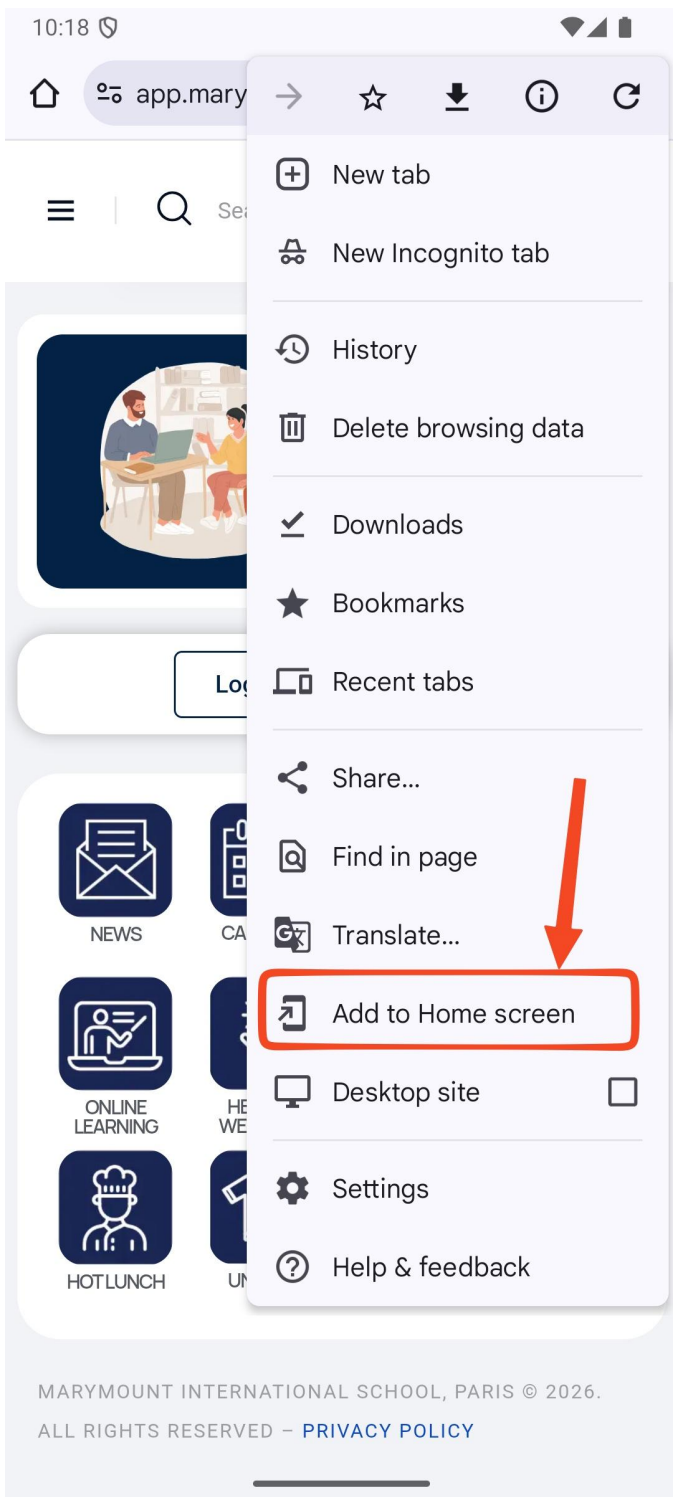

From your web browser, visit the following address:

<https://app.marymount.fr>

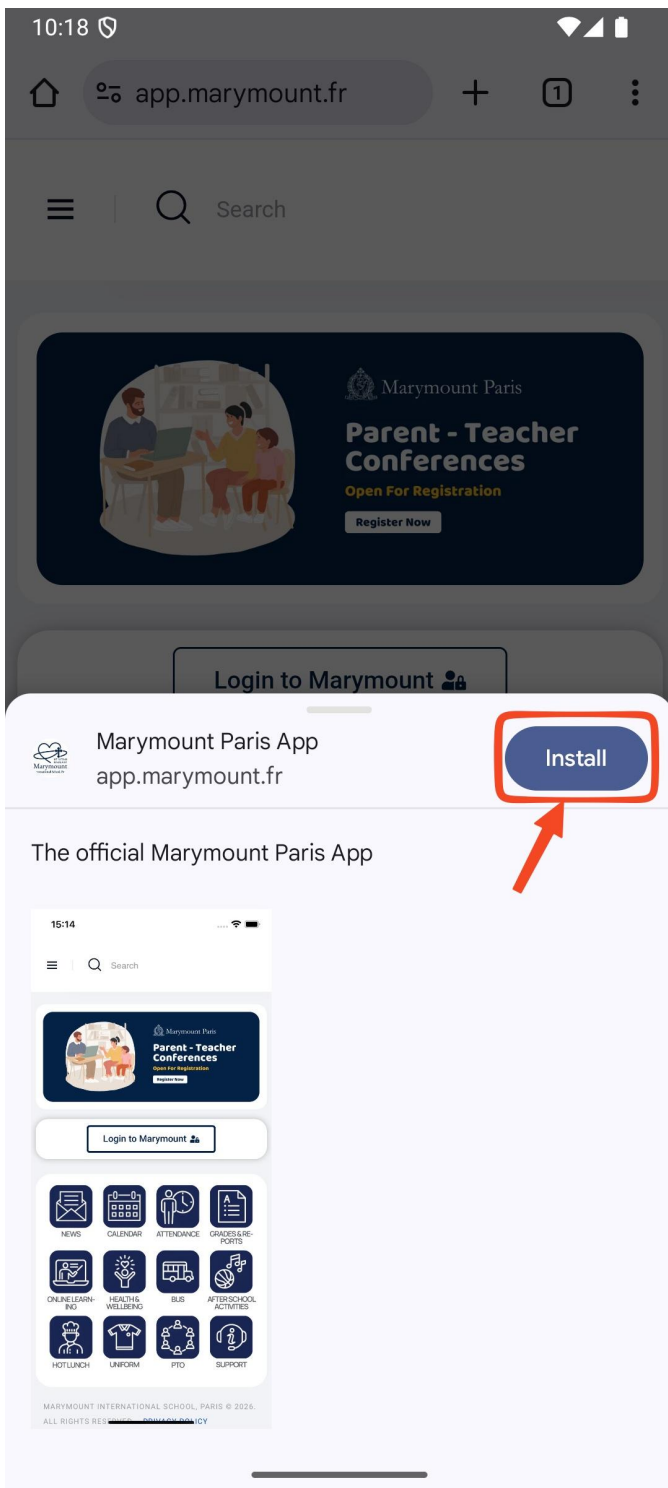

Press on the "Three dots" menu

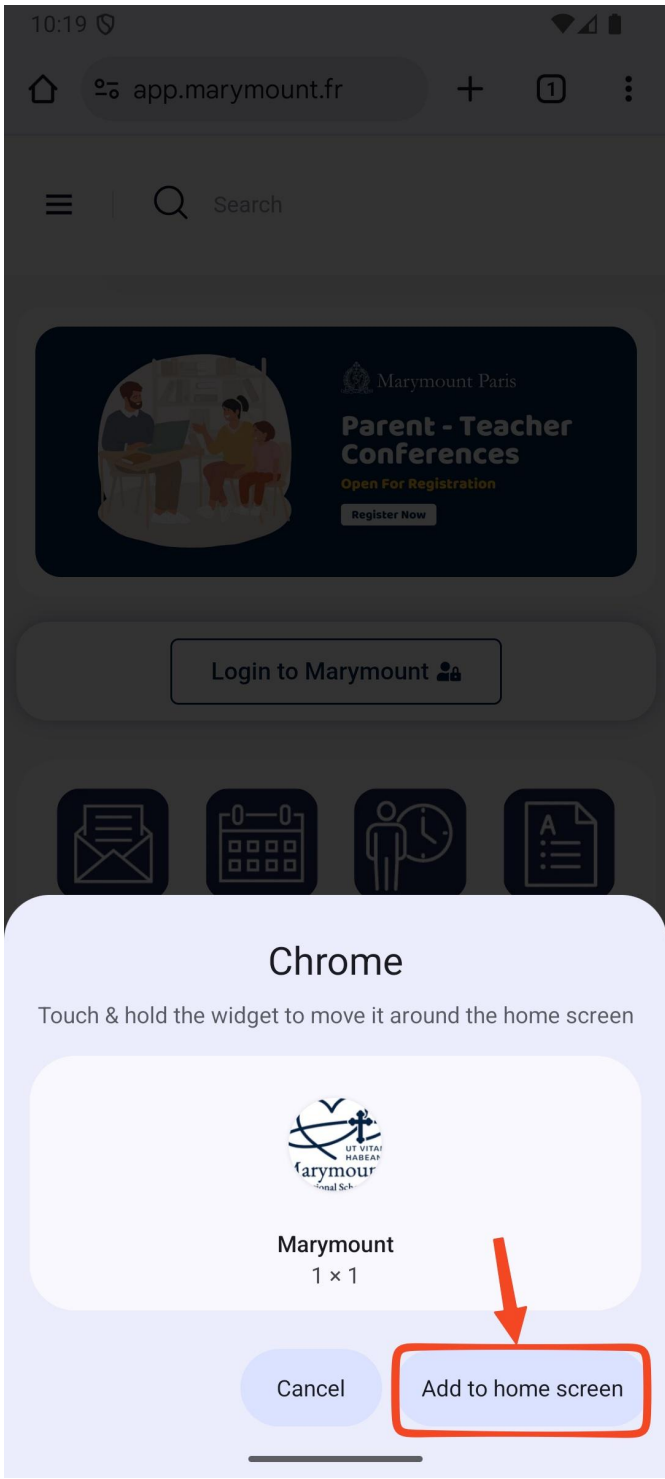

Select "Add to Home Screen"

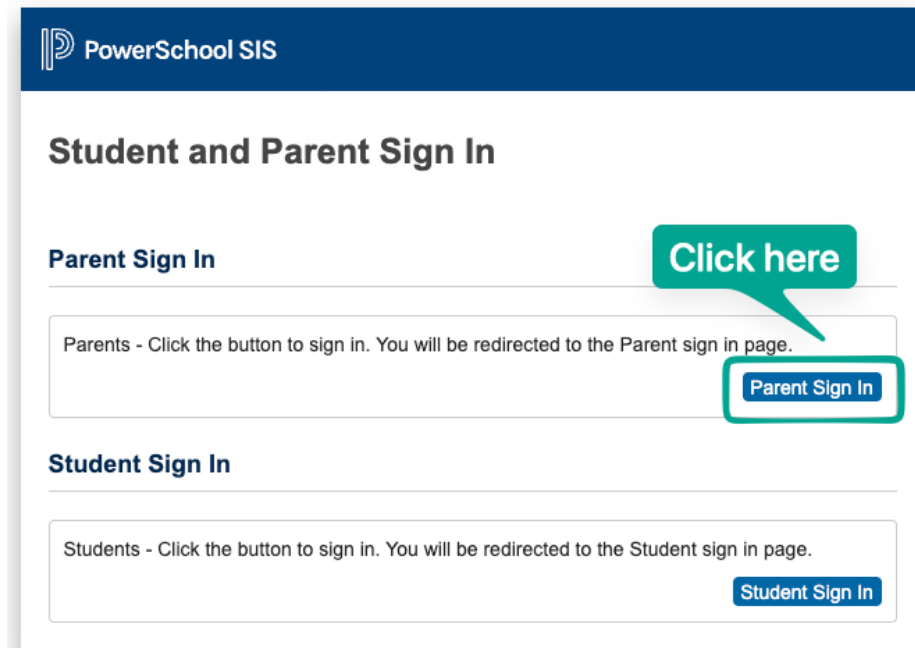

Confirm by clicking "Install"

Finally, click "add to home screen"

How to access Report Cards on PowerSchool

cess PowerSchool

3. Select "Student Reports" from the left hand-side menu
